Dream Cruises' Commitment

Safeguarding the **health** and **safety** of our guests
and crew is our utmost priority.

Embarkation & Disembarkation

All guests are required to do online check-in & arrive at designated time indicated in cruise confirmation slip. Mandatory temperature screening & health declaration. All guests embarking and disembarking will be required to undergo a COVID-19 Antigen Rapid Test (ART) at the cruise terminal. Guests aged 7 & above will need to download TraceTogether APP or bring along the token. Guests aged 7 & above will be issued a MICE Pod which is required to be with you at all times.

Entertainment & Recreational Activities

All theatres, kids' clubs and entertainment venues will have reduced capacity & will be sanitized frequently. Social distancing to be practiced.

Guest Accommodations

Higher frequency and increased levels of sanitization and disinfection with hospital grade disinfectants; enhanced cleaning of bathrooms and drains.

Fresh Air Ventilation Systems

100% external fresh air filtered and supplied to each guest & crew cabin, and onboard public areas.

Common Public Areas

All public areas onboard will undergo a two-tier sanitization process through cleansing, fogging & wiping using hospital grade disinfectant, with emphasis on frequent touchpoints. Guests are required to put on mask except when dining & engaging in sports activities.

Medical Centre

Isolated wards available in Medical Centre. Cabins can be converted into quarantine rooms if required. 2 doctors including an Infection Control officer on every sailings.

Food Hygiene & Standards

F&B restaurants & bar areas, including galleys will be cleaned & sanitized 3 times daily. Guests will be seated in maximum of group of 5. Self-service at F&B buffet restaurants will be suspended. All F&B will be served to guests by crew members wearing face masks & disposable gloves.

Crew Members Practices & Standards

Crews have completed stringent quarantine requirements for health management. Twice daily temperature checks, all crew provided with training workshop and pertinent health & hygiene information.
